WorkForce Pro Series

BUSINESS PRINTING IS CHANGING

EPSON®
EXCEED YOUR VISION

FASTER THAN A LASER, HALF THE COST

PRINT.IT EDITORS CHOICE AWARD
EPSON Workforce Pro Range

Epson presents our brand new award winning WorkForce Pro series of A4 business inkjet printers, the ultimate professional tools that deliver high performance business printing quickly and at very low cost.

THE NEW WORKFORCE PRO SERIES

Waiting for print jobs can take up valuable time, especially when they are just a few pages. We've created the Epson WorkForce Pro series of printers to deliver superb results without delay.

Epson WorkForce Pro printers and all-in-ones are faster, more economical and more environmentally friendly than lasers. They also deliver superb, durable business-quality prints with a resolution up to 4800 x 1200dpi, are packed with features including fast double-sided printing and are very easy to operate.

Speed

Faster than competitive colour lasers*1

Epson WorkForce Pro inkjets are faster than the top 10 best-selling colour lasers for print jobs up to four pages*1.

They deliver business-quality results at very high speed, especially on double-sided prints.

Economical

50%

Up to 50% lower cost per page than competitive colour lasers*2

Epson WorkForce Pro inkjets offer a significantly lower cost per page than competitive colour lasers*2.

They use high-yield individual inks instead of costly laser supplies, which means they are not only great value, but also much cleaner and easier to maintain.

Ecological

80%

80% lower energy consumption than competitive colour lasers*3

Epson WorkForce Pro inkjets also offer a massive reduction in energy consumption compared to competitive colour lasers*3.

This means that as well as superb quality and flexibility, you can make major cost and environmental savings.

No more printing compromises

Waiting around is not good business, so get your organisation moving with a printer that gives you what you want, when you want it. Now you can have speed, quality and economy, and a lot more besides.

Key features

- High paper capacity up to 580 sheets with 80-sheet rear multipurpose tray, 250-sheet tray as standard and optional 250-sheet tray
- Fast printing up to 16ppm mono and 11ppm colour*4
- Super-fast automatic double-sided printing
- High-yield ink cartridges print up to 3,400 pages*5
- Instant-drying prints are water, smudge, highlighter and fade resistant with Epson DURABrite Ultra Ink
- Reduce end user intervention – only replace the ink cartridges in the WorkForce Pro range
- Epson Connect for mobile printing from smartphones and tablet PCs*6

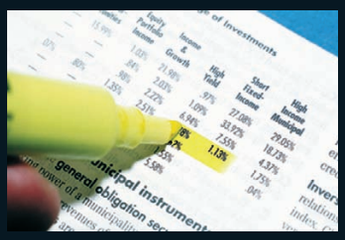
AN UNBEATABLE COMBINATION

Printing costs are a big concern for any business, which is why we offer a range of ink cartridge sizes. They enable you to keep your costs down, guarantee your prints will look superb, and last longer in any business environment.

Advanced Epson DURABrite Ultra Ink

Amazingly durable
Prints dry instantly and resist water, smudging, fading and highlighter pens

Business quality documents
Laser-like text and graphics on plain paper



Perfect prints
Enhance printed materials with high-quality graphics

More choice
Print on a wide range of paper, including high impact colour on glossy media

A choice of ink cartridge sizes to match your printing needs

Epson uses individual ink cartridges across its inkjet printer range.

This keeps costs down as you only replace the colour used. We offer a choice of cartridge sizes for normal, high and very high print volumes. So you get low-cost printing whatever your level of output.

Normal volume, low cost per cartridge		L	**T7031** ~1,200 black pages*5 **T7032** **T7033** ~800 colour pages*5 **T7034**
High volume, low cost per page		XL	**T7021** ~2,400 black pages*5 **T7022** **T7023** ~2,000 colour pages*5 **T7024**
Very high volume, low cost per page		XXL	**T7011** ~3,400 black pages*5 **T7012** **T7013** ~3,400 colour pages*5 **T7014**
